Unit 2, 13 Arrowsmith Avenue, Alstonville

SOLD BY MELANIE STEWART

This property is well positioned in a quiet street, just a short walk to the town centre, sporting fields, schools and the bowling club. There are only two in the complex. This well presented unit is set back from the road making it very private. Rarely found, and often sought after, are these desirable free standing units with no body corporate fees, and a large fenced yard. Beautifully renovated, with air-conditioned living room, floor tiles throughout and modern appeal, makes for a very comfortable and inviting place to live.

There are two good sized bedrooms, both with built in robes. The garage has been converted to a third room which could be utilised as a third bedroom, extra family room, or a home office. There is also a storage section at the front of the garage to keep all the garden tools and any extra items. You also have an extra car space available in front, which comes in handy for that
